## For New (and not so new) Residents on the Mountain

1. Residents gone for more than a month will not be charged a sewer rate on the water that is used for outside irrigation **ONLY**. But homeowners will need to contact Pima County **NOT** Tucson Water. The request can be done online from your summer home if you did not do it before you left Dove Mountain. See more information at link below.
2. Outside water is separate from inside (house) water. See information at link below for tips on shutting off your water to help avoid water damage.
