Arizona Gives Day Returns in 2018!

Join us for 24 hours of giving to benefit our local nonprofits and strengthen our community on April 3.

Arizona Gives Day helps raise awareness about Arizona nonprofits and the critical role they play in our communities and state. On April 3, the event will inspire people to give generously to nonprofits making our state stronger and creating a thriving community for all.

Who We Are

The Arizona Gives program is run by the Alliance of Arizona Nonprofits and Arizona Grantmakers Forum. The event was started in 2013 to connect people with causes they believe in and build a lasting, stronger spirit of philanthropy. Since its inception, Arizona Gives Day has raised more than \$20.1 million for nonprofits statewide.

Hoofsnorns Farm Sanctuary

We are a small mother/daughter farm animal sanctuary who operated privately for over twenty years before becoming a 501(c)3 non profit charity... serving our community where there is great need and no other help. We are committed to helping those animals who come to us in need, who are abandon, neglected or just worn out. We welcome those with special needs, orphans and others who need hospice care or just a safe loving place to retire.
