Street Repair at The Highlands

If you are a resident of The Highlands at Dove Mountain or will be visiting the community between APRIL 28th and MAY 13th please be aware of workers.

The Highlands at Dove Mountain is embarking on a street sealcoat project with ACE Asphalt for our entire community (all 12 miles) starting April 28 through May 13. They will work 6 days per week with only taking Fridays OFF.

Attached is a schedule map showing what streets will be impacted when, plus and information letter from the contractor.

[Map of the Work](#) [Letter from Contractor](#)

Do not drive on the fresh seal coat until the traffic cones and/or barricades are removed. The sealer will splatter onto your vehicle track into your driveway, or if you walk in it your footprints will stain both concrete and carpet.
