"Tangerine Sky Community Park" Coming to Dove Mountain Area

On May 3, Marana Town Council approved "Tangerine Sky Community Park" to be the name of the new park located at 4411 W. Tangerine Road, south of Tangerine Road between Camino De Oeste and Camino De Mañana.

The name came from a park survey conducted by the Town of Marana Parks and Recreation Department. Over 377 residents provided feedback on what amenities they would like to see at the park, including name ideas.

The new community park of approximately 18-acre. You can visit <http://www.maranaaz.gov/newpark> regularly to follow the park's development progress..

Of the two concepts presented for citizen feedback, Concept I was voted most favorable by survey takers, however, valuable input was also garnered from comments made in reference to Concept II.

Construction on the park will begin later this year, and will take approximately nine months to complete. Amenities will include a dog park, parking lot, restroom, ramadas, play area, turf area, multi-use paths, and trails.

County Board approves ordinances on median safety, texting while driving

At the May 17 meeting, the Pima County Board of Supervisors approved two measures designed to address safety concerns for motorists, cyclists and pedestrians.

One ordinance prohibits pedestrians from lingering in the median of an intersection for purposes other than waiting for the signal to change.

The other measure bans texting while driving.
