Tucson Water Proposes a 7% Rate Increase

On April 5, 2016, the Mayor and Council approved a financial plan for Tucson Water that included annual revenue increases of 7% for Fiscal Years 2017-2021. The Citizens' Water Advisory Committee (CWAC) has recommended a supporting rate change for Fiscal Year 2017; Tucson Water has proposed rate increases for Fiscal Years 2017 and 2018. On April 5, 2016, the Mayor and Council adopted a Notice of Intent to raise water rates.

A public hearing to consider the request, including community input and recommendations from CWAC and Tucson Water, will be held on May 17, 2016. Four town hall meetings on the proposed rate increases are also scheduled.
